A COMPLETE RANGE

Based on decades of expertise in building the right equipment for vehicle service and maintenance professionals, Chicago Pneumatic has developed a comprehensive range of battery-powered tools. Our 1/2", 1/4" and 3/8" impact wrenches and 1/2" and 3/8" drill drivers cover the widest spectrum of workshop needs.

POWER & TORQUE

If you are used to air tools, you will be impressed with the CP cordless performance. A customdesigned motor and durable gearbox deliver the power and torque you need.

MOBILITY

With a CP cordless tool, your reach is endless. Portable by nature, our impact wrenches and drill drivers will travel with you from internal to external jobs. What is more, they are ideally suited for dimly lit and difficult-to-access places.

A GOOD FIT

Your power tool should be a natural extension of your hand. All CP cordless equipment comes with an ergonomic handle that fits perfectly. Switches are strategically placed for comfort and ease of use.

RUGGED

In and out of the tool box, dirty hands, greasy floors,... CP knows the demanding conditions your equipment has to endure. The components and housing of the CP cordless range were designed to provide maximum reliability and durability.
